Testimonials

I enjoy the study tour program in Taylor's University. I learn how to run a restaurant and knowledge about tourism and hospitality. We also have some practical training in restaurant, housekeeping and front desk. In these three weeks, we learn a lot of different things like culture, language, foods, drinks and more.

Testimonials

The summer program in Taylor's really taught me a lot. All the lecturers there are patient, enthusiastic, and extraordinary in their own field. No matter what your previous experience was, you can always learn something surprisingly new from them, for sure. Moreover, the whole program was like an interesting trip for me, full of fascination, full of joy. I entirely enjoyed my days in Taylor's, and so will you.

– Yvette (*IBA Senior 2018*)

Testimonials

This was the first time visit Malaysia. During those weeks, we learn lots of things, no matter is **theoretically or practically**, those experiences were special for me.
