

# Bank Internship and Employment

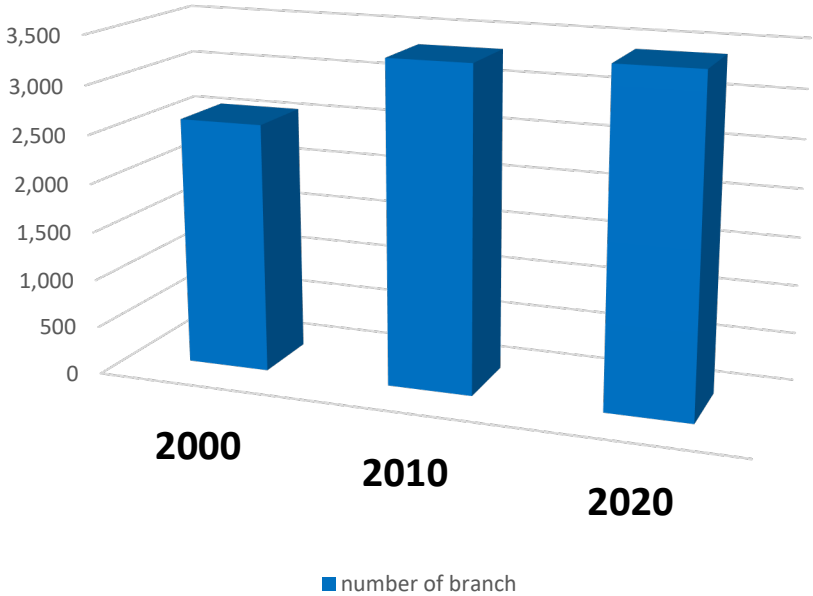

Finance and Business Analytics

# Bank Employment and Internship

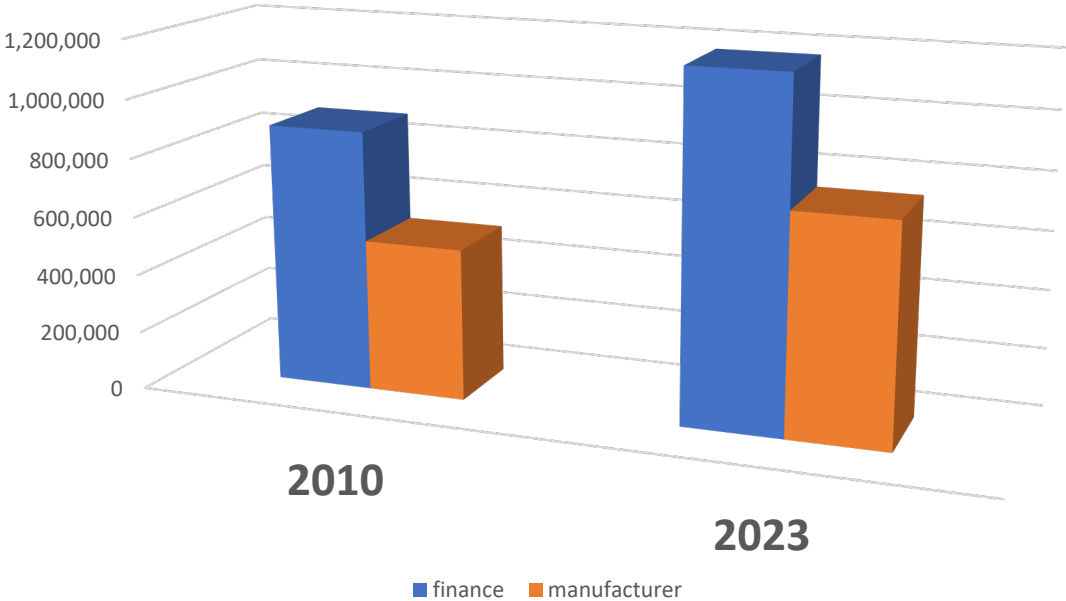

- Bank industry offers higher salary than others (>NTD 100,000 / month)
- Internship is a path to employment
- Taking a financial course in school does not mean you will enter bank industry. The same, taking a coding course does not mean you will enter an info company. Internship can allow you make mistakes. So, Start your journey earlier when you are allowed to make mistakes.

t	finance	manufactu
2010	890,682	518,790
2023	1,177,031	746,716

Number of bank branch

Annual income of financial workers  
And manufacturing workers
