Olympic Center

- For travelers who want to capture the city of Tokyo, **Olympic Inn Shibuya** is an ideal choice. The Ikejiri Ohashi Bridge is located about 300m from the hotel. Famous attractions such as the Meguro River Greenway, Meguro Sky Garden, and Ohashi Library are all within a short walking distance.
- Olympic Center resembles a student **dormitory** with double/single rooms, lounges, **shared bathrooms**, and an electric kettle in each room.

Homestay and B & B

- During your homestay, you will live with a local Japanese family and become part of their daily lives. This unique opportunity allows you not only cultural immersion but also provides an opportunity to build lasting friendships and deep connections.
- A B & B (Minshuku) is family-run and with less formal service. Rooms are more simply-furnished and the meals, at a Minshuku are the highlight of the stay.

A photograph of an airplane wing in flight against a sunset sky. The wing is dark and silhouetted against a bright orange and yellow horizon. The sky transitions from a deep blue at the top to a lighter blue near the horizon. A dark horizontal band across the middle of the image contains the text "THANK YOU FOR LISTENING" in white, serif, all-caps font. On the right side of the image, there are faint, light blue decorative elements consisting of overlapping curved lines and a small, stylized white logo.

THANK YOU FOR LISTENING
